**Glendale Federal Savings Award Given to Seventeen-Year-Old**

Roger Weeks, 17-year-old Narbonne High School senior, today was named winner of the California Savings and Loan League Outstanding Student Award sponsored by Glendale Federal Savings' Torrance branch, manager Charles Cederlof announced.

Weeks was presented with a cash award and an engraved medallion on behalf of GFS at a luncheon held yesterday in Los Angeles' Biltmore Bowl.

The winner is the son of Mr. and Mrs. George D. Weeks of 1612 W. 253rd St., Harbor City. He plans to major in political science and law at Occidental College upon completion of high school.

**ACTIVITIES**

He has been a member of the Kiwanis-sponsored Key Club for three years, the Barons, Squires and Knights, the California Scholastic Federation for six semesters, the swimming team and the Latin Club. He has served as president of the Math Club and was a representative to Boys' State in Sacramento last year.

Weeks stands second in scholastic rank among his 280 classmates and has an overall grade average of 4.16.

"Glendale Federal is proud to have such an outstanding young man as recipient of our award," commented Cederlof. "Roger's contribution to the scholastic, athletic and social life at Narbonne High mark him as a leader deserving of encouragement."

The only fee will be a nominal charge for materials. Each individual will make a poster in the class. Persons interested may register by calling the Recreation Department at FA 8-5310, Ext. 263.

**WATCH TIRES**

When overtaking another car—especially an old, shabby one—watch his tires. Often, you can see rubber coming off the tires, enabling you to stop or swerve in time to avoid an accident. Another reason for watching the other fellow's tires: you may save his life if you see a tire coming apart or getting soft and can warn him.

"The leaders within the savings and loan business feel that these additions to funds available for higher education make it easier for these qualified young people to attend the college, university or junior college of their choice," Cederlof said.

The California Savings and Loan League awards are granted students without regard to any other scholarship funds or grants-in-aid won by the recipients.
